

PRODUCT INFORMATION

BREW CLEAN COFFEE BREWER CLEANER

FAST AND EFFECTIVE

Brew Clean provides a superior clean, removing coffee oils and coffee stains from brew baskets, servers, airpots and coffee pots.

CERTIFIED FOR ORGANIC USE

Brew Clean is certified by the Organic Materials Review Institute (OMRI) and is free from phosphate and Genetically Modified Organisms.

RAPIDLY BIODEGRADABLE

All ingredients are rapidly biodegradable meeting international standards.

ECONOMICAL

Only the smallest amount of Brew Clean is needed for a superior clean. A measuring scoop is included in all jars for accurate dosing.

HOW TO USE

- Fill brew unit reservoir with hot water
- Place one scoop (4g) per 1L (35 oz.) in the brew basket
- Ensure the coffee server is under the brew basket
- Activate the brewing cycle allowing the cleaning solution to flow into the server
- When the brew cycle is finished, rinse the brew basket in fresh water
- Leave the solution in the server to stand for a minimum of 15 minutes then drain
- Thoroughly rinse the server with fresh water.

SAFE FOR YOU AND YOUR MACHINE

Safe for all machine parts, Brew Clean is listed with NSF. It has been tested, evaluated and passed the most stringent toxicology and corrosivity standards. The ingredients and formulation of the products that are NSF certified are safe, leave no harmful residues and do not cause corrosion within the coffee machine.
