

# User Guide: Combi & Grill Cleaner Degreaser

**For use in cafés, restaurants, rotisseries, and commercial kitchens.**

## What You'll Need:

- Personal protective equipment (gloves, eye protection recommended)
- Spray bottle (if decanting from bulk)
- Non-scratch scouring pad (for heavy build-up)
- Damp cloth or sponge
- Water rinse (mains, jug, or hose)
- Steam oven (if using steam cycle mode)

## Dilution Instructions:

Application	Suggested Dilution	Comments
Direct spray (routine cleaning)	1:2 with water	For daily degreasing of grills, oven walls, doors
Soaking components (e.g. racks, trays)	1:4 with water	Soak for 15–30 mins, rinse clean
Steam cycle cleaning (combi ovens)	Use undiluted	Spray internal surfaces, then run steam cycle
General degreasing (benches, splashbacks)	1:10 with water	Apply, agitate lightly, rinse

## How to Use

### For Oven or Grill Surfaces:

1. Pre-heat oven or hotplate slightly (not hot) – 40–60°C is ideal.
2. Spray cleaner directly onto surfaces.
3. Close oven door (if applicable) and allow to dwell for 5–15 minutes.
4. For heavy build-up, agitate with a non-scratch pad.
5. Wipe off residue with damp cloth or sponge.
6. Rinse thoroughly with clean water to remove chemical residue.
7. Repeat if required for carbonised surfaces.

# User Guide: Combi & Grill Cleaner Degreaser

## For Combi Ovens (Steam Clean Cycle)

1. Turn oven to steam cycle for 3–5 mins to loosen residue.
2. Open door and spray cleaner onto internal surfaces.
3. Run steam cycle again for 5–10 mins with door closed.
4. Allow cooling briefly, then rinse or wipe down internal surfaces.
5. Hose out if needed, and switch off oven.

## For Soaking Trays, Racks and Baskets

1. Fill tub with hot water.
2. Add cleaner at 1:4 dilution.
3. Soak items for 15–30 minutes.
4. Scrub lightly if required.
5. Rinse thoroughly with water.

## Safety Tips

- Always wear gloves and eye protection.
- Do not mix with acids or other chemicals.
- Use in a well-ventilated area.
- Rinse food-contact surfaces thoroughly before reuse.
- Store locked up and out of reach of children.

## Disposal

- Rinse empty containers before recycling.
- Dispose of wastewater in accordance with local regulations.
